The Club Requires Referees for 2017

We have been very fortunate to have had two referees of the highest standards for a number of years now, but Gerry and Malachy will not be able to continue forever. The club urgently requires new members willing to become referees, if we do not have referees in place by January 2017 we will have to play all our games away from home. If any member is interested in becoming a referee, please notify Gerry Cosgrove, Malachy Leech or club secretary Gerry B Cosgrove.

Update on our New Glenariffe Community Recreation Centre

Currently we have no further news with regards to the funding application made by Friends of Glenariffe for our new development. The application is still being processed and as soon as we are given any updates or official notification we will let you know. Keep your fingers crossed!
